

# ST. LUCIA

*It's Island Time!*

One look at this gorgeous West Indies style home and you will feel like you are in the islands. Open living areas with a generous kitchen, loads of cabinets and counter space will make this the perfect home for entertaining. Enjoy the private den and guest/flex suite downstairs. The 10' ceilings throughout the home give it that bright and sunny feeling. The game room upstairs adds additional space for family and friends. Escape to the luxurious master suite to relax and enjoy your new home!
