

ST KITTS V

All the Amenities!

The stunningly unique exterior of this home sets the tone for those who appreciate the finer things. Perfect for entertaining, the inviting Grand Living room, spacious island kitchen and outdoor living area all connect to make one amazing space for fun with friends and family. The kitchen features Maple raised panel style cabinets with crown molding, 25" French door Refrigerator, Pro-Style gas cooktop and electric double oven. Tucked between the kitchen and dining room is a Butler's Pantry complete with a microwave and wine refrigerator. The 2nd floor master suite will take your breath away with its tiered ceiling and a massive walk in closet the size of most secondary bedrooms. Also upstairs are three additional bedrooms, one with a private bath, two sharing a Jack and Jill bath, and a convenient laundry room.
