

LA ROCHELLE

Come Home to your French Country Estate

This is a stunning French Country style home! The impressive exterior has high pitched roof lines, shingle roof, natural stone veneer and a metal accent roof over the bay window. The spacious Kitchen has plenty of room for seating at the island, a 6-burner gas range with double oven and custom wood mantle hood. In addition to the Grand Living Room with fireplace, the 1st floor also features a Den and a formal Dining Room complete with a Butler's Pantry. On the 2nd floor, you can relax in the vast Master Suite that boasts a huge closet with his and her sections. There is also a Laundry Room upstairs. No detail is missed.

- 4 bedrooms, 4 full baths, 2 half baths, Den, Café, Loft and 3-car garage
- 3,902 Sq. feet of air-conditioned living space and 5,100 Sq. feet under roof
- 8' 2 panel interior doors, 11' ceilings downstairs and 10' tall upstairs
- 5" Naturally Aged Classic Series wood flooring throughout common areas
- 7" Crown Molding and 7-1/4" base boards in most common areas and Master Suite
- 2 tankless hot water heaters and natural gas for fireplace, dryer and cooktop
- 6' Vinyl fence with 2 gates and a complete landscape package with sprinkler system
