

NEW HAVEN

Craftsmen Style, Only in America

Designed in the Craftsmen-style of architecture, this home will appeal to diverse lifestyles. Relax on the inviting front porch and then come inside to enjoy the inspired details that are standard with all our homes. The heart of this home is in the spacious Kitchen that includes a huge island prep area with a built-in table and plenty of seating. Perfect for entertaining, the Kitchen area flows into the Grand Living Room with its wall of stackable sliding glass doors that lead to the very large outdoor living space. A Butler's Pantry and formal Dining Room further enhances the entertaining atmosphere of this amazing home.
