

THE GREENWICH II

Traditional Beauty and Excellence!

A wonderful brick-paved front porch leads into this traditional home with luxury features that all of your friends will envy. The heart of this home is the downstairs living area that is enhanced by the openness of the large island Kitchen, the Dining Room and the Grand Living Room that leads to the outdoor living space. Perfect for entertaining or a night of family fun. No detail is left untouched. The Master Suite is enormous encompassing nearly half of the second floor and each of the other bedrooms has its own full bath. Upstairs Laundry is a huge plus. You will love this home!
