

THE NORTH FORK

A Truly Traditional Home!

The beauty of a traditional home is always an inviting front porch. As you leave the porch and enter this home you will see a Study on your right and the always welcome Flex Space on your left. Past the stairs you'll enter the heart of this home where family and friends can enjoy formal Dining or sitting together at the large Kitchen island or warming in front of the fire in the Grand Living Room. The outdoor living space is adjacent to this gathering area as well for both indoor and outdoor entertaining. Upstairs is the spacious Master Suite and 3 other bedrooms, each with their own Bath, and a convenient laundry room.
