

BARNSBURY SQUARE

Traditional

The Barnsbury Square is a Classic treasure. The traditional design evokes a sense of timelessness, luxury and elegance. At the same time, it also emphasizes comfortability, livability and practicality. The exterior is distinguished by bold statement columns and a large upper-level verandah, this simple and yet exquisite architecture defines the Barnsbury Square. Offering two Master Suites, one on each level, this home design is ideal for multi-generational living. The first level offers an open kitchen/grand living area, along with a café that is ideally situated to enjoy the sunrise or sunsets over a cup of coffee or glass of wine. There is also a private study and formal dining room with a connecting butler's pantry that leads to the kitchen. Perfect for entertaining!
